                                )

This matter is before the court on defendant's Motion to Continue Trial [323]. Counsel needs additional time to review discovery and confer with his client. Accordingly,

**IT IS ORDERED** that the Motion to Continue Trial [291] is granted, as follows:

1. The jury trial now set for September 19, 2023, is continued to **November 28, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and November 28, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).
3. **No further continuances will be granted without requesting a hearing before the undersigned magistrate judge.**

**DATED: September 5, 2023**

United States Magistrate Judge**
